

Environmental Policy

Ecosurety is committed to reducing the environmental impact of our business and to improving our environmental performance as an integral part of our business strategy. Our environmental policy is to:

- Comply with, and exceed where practicable, the requirements of relevant environmental legislation and codes of practice
- Reduce pollution, waste and the consumption of resources
- Encourage our members, suppliers and business partners to do the same
- Regularly review and update our environmental policy

To meet our commitments, we will:

- Promote our 'change for good' vision internally and externally
- Set and monitor objectives and targets for managing our environmental performance at least annually
- Communicate internally and externally our environmental policy and performance on a regular basis, and encourage feedback
- Promote consideration of sustainability and environmental issues within our workforce in everything we do:
 - Commuting and business travel
 - Supplier choice and purchasing decisions
 - Facilities management
