

Health and Safety Policy

Ecosurety is committed to excellence in all our activities. The effective management of health and safety is an important element in our success.

Good health and safety performance protects our staff and others from harm. It supports all our activities by preventing disruption to our business, and is consistent with our commitment to social responsibility.

It is the objective of Ecosurety to ensure that we:

- Provide adequate control of the health and safety risks arising from our work activities
- Consult with our employees on matters affecting their health and safety
- Provide information, instruction and supervision for employees
- Ensure all employees are competent to do their tasks, and to give them adequate training
- Prevent accidents and cases of work-related ill health
- Maintain safe and healthy working conditions
- Commit to improving our practices and procedures by regularly reviewing and revising this policy
- Communicate improvements
- Work in a manner which does not jeopardise the health and safety of a third party
- Comply with all current and new health and safety legislation
